**Subject:** National Academies Extended Outline for One Health Core Competencies

Dear Members of the One Health Work Group,

Thank you very much for your feedback on the first outline for One Health Core Competencies. Attached is the extended outline which was drafted based on your input. I would appreciate your comments and suggestions by next Wednesday **Sep 6**.

Here are the steps forward:

- All OHWG members provide feedback (by Sep 6)
- Core competencies committee drafts manuscript (by Sep 16)
- First draft will be shared with all OHWG members for feedback (week of Sep 17)

In the meantime, Ayano will submit the concept to NAM perspectives so we can prepare for the publication process.

Best wishes,
